

# Students, Non-Matriculated

Date of original implementation: October 2011

Date of Last Revision: 4/7/15

Students not matriculated into a degree or certificate program at Cambridge College are allowed to take up to nine (9) credits for credit without applying for and enrolling in a degree or certificate program. Students should seek advisement from the academic dean of the school in which they are taking courses. Certain exceptions based on program, alumni status or location may apply.

Courses completed at Cambridge College by students not enrolled in an academic program may be evaluated for acceptance into Cambridge College programs by the dean or program chair of the receiving program. There is no guarantee that courses taken as a non-matriculated student will be accepted into an academic program at Cambridge College.
