

# Master of Management

37-46 credits • 4 terms

The **MASTER OF MANAGEMENT (MM)** uses an adult learning method to develop aspiring and practicing managers who are values driven and adept at working with people and organizations in a diverse global world. Students are prepared to improve the effectiveness of their organizations and their own opportunities for advancement.

They gain comprehensive management and leadership skills including best practices, current academic and research perspectives, and proven strategies. They develop analytical, research and decision-making skills; and technology skills.
