

Master of Education With Concentration

# Psychological Studies

36 credits — Non-licensure

**PSYCHOLOGICAL STUDIES** is a non-licensure graduate program that introduces students to a broad range of psychological perspectives, with a strong commitment to an evolving multicultural society.

**Careers** — Graduates may be eligible for advancement in human service careers that do not require licensure.

**Learning Outcomes** — Students are exposed to the principles of counseling. They learn about assessment, resources, cultural and racial dynamics, roles on interdisciplinary teams, ethics and relevant laws. They learn about small group dynamics and processes and how leadership styles influence group process. Students have flexibility to choose courses to support their particular interests in the field.
