Course offerings plan for Cambridge, subject to change without notice. Regional centers set their own schedules but offer the same program of study.

Students are responsible for:

- Checking with the appropriate state licensure entity to determine whether this program is accepted for licensure in their state.
- Discussing options for licensure practicum with the program coordinator or regional center director.

Admission requirements: Bachelor's degree and other general requirements (see Admission).

Program subject to change: As Massachusetts or other requirements for programs and licensure change, the College reserves the right to alter the program.

Out of State Educator Licensure Programs: Cambridge College has temporarily suspended new enrollment in out of state licensure programs while pursuing national accreditation through the Teacher Education Accreditation Council (TEAC), except for Puerto Rico which continues to accept new enrollment in its certificate program with limited jurisdiction to Puerto Rico.
