Practicum Prerequisites

- Pass all teacher tests required by the state for this license.
Massachusetts: Communication & Literacy and Health Education (MTEL).
- Pre-Practicum — 75 hours0
- Pass all required courses.

HEA790 Practicum – 300 hrs (150 hrs in an elementary school setting & 150 hrs in a secondary setting)3

Guided and evaluated by a licensed/certified educator in the classroom and by a licensed/certified Cambridge College supervisor. Practicum locations are subject to state regulations and are to be approved by the program coordinator or regional center director.

HEA791 Practicum Seminar2

- Exit Performance Portfolio required for credit.

Program subject to change: As Massachusetts or other requirements for programs and licensure change, the College reserves the right to alter the program.

Out of State Educator Licensure Programs: Cambridge College has temporarily suspended new enrollment in out of state licensure programs while pursuing national accreditation through the Teacher Education Accreditation Council (TEAC), except for Puerto Rico which continues to accept new enrollment in its certificate program with limited jurisdiction to Puerto Rico.

Non-licensure option

All program components are required except the Practicum, Practicum Seminar, and teacher tests. Non-licensure students must complete all course contact hours and pre-practicum hours embedded in the courses.

Course offerings plan for Cambridge, subject to change without notice. Regional centers set their own schedules but offer the same program of study.

Students are responsible for:

- Checking with the appropriate state licensure entity to determine whether this program is accepted for licensure in their state.
- Discussing options for licensure practicum with the program coordinator or regional center director.

Admission requirements:

- Bachelor's degree and other general requirements (see Admission).
- Certificate as an instructor of first aid and CPR.
- Anatomy & physiology: completed course required for entry.
- Bachelor's degree with competencies in relevant content areas: personal health and wellness, child and adolescent growth and development, psychology, drug abuse prevention, nutrition, human sexuality, 24 credit hours total (including anatomy and physiology).

If certificate and content area coursework (other than anatomy and physiology) are not completed at time of admission, students may complete them concurrently.
