Admission requirements: Bachelor's degree and other general requirements (see Admission). Master's degree required if enrolling in Certificate in Applied Behavior Analysis only.

Cambridge College offers this program in collaboration with the Evergreen Center and Beacon Services. The Evergreen Center is a residential treatment center and school serving students diagnosed with autism and related developmental disabilities. Beacon Services is a private practice of behavioral educators founded on applied behavioral analysis principles.

Students are responsible for monitoring and understanding the requirements set by the Behavior Analyst Certification Board, and for ensuring that their program of study complies with all requirements for BCBA certification.

Courses @ 3 credits, 35 contact hours, unless otherwise noted.

Program subject to change.
