One elective must be in counseling psychology, one may be in education or a mediation course in the graduate management curriculum.

Licensed Mental Health Counselor (LMHC) — This program is designed so students will complete the academic requirements for LMHC licensure by the Massachusetts Board of Registration of Allied Mental Health Professionals. Candidates must also pass a competency examination and complete two years of post-masters supervised clinical practice.

Students are responsible for monitoring and understanding state requirements and regulations, and for ensuring that their program of study complies with all requirements for certification/licensure.
