School Adjustment, Mental Health & Addiction Counseling

Admission requirements: Bachelor's degree and other general requirements for counseling psychology and educator licensure programs apply; see Admission.

School Social Worker/School Adjustment Counselor (all levels)

— Program approved by the Massachusetts Dept. of Elementary & Secondary Education (ESE) as preparation for initial licensure.

Licensed Mental Health Counselor (LMHC) — This program is designed so students will complete the academic requirements for LMHC licensure by the Massachusetts Board of Registration of Allied Mental Health Professionals. Candidates must also pass a competency examination and complete two years of post-masters supervised clinical practice.

CADAC certification/LADC licensing — Cambridge College strives to offer the appropriate educational requirements for certification by MB-SACC and licensing by The Massachusetts Dept. of Public Health. Additional courses may be required for CADAC certification; consult the program coordinator.

Students are responsible for monitoring and understanding state requirements and regulations, and for ensuring that their program of study complies with all requirements for certification/licensure.

Program subject to change as Massachusetts requirements for licensure change. The College reserves the right to alter the program to better prepare students to meet new requirements.
