## FACTBOOK

2007-2008

Cambridge Coll

## Mission of the College

To provide academically excellent, time-efficient and cost-effective higher education for a diverse population of working adults for whom those opportunities may have been limited or denied.

## Vision for the Future

By 2010, Cambridge College will be a leader in educating working adults diverse in age, gender, race, ethnicity, professional and educational experiences, and geographical backgrounds, nationally and internationally. Over the next five years, the College will seek to ensure growth with quality and to impact and transform communities through partnerships.
