MyLibrary Homepage

The screenshot shows the MyLibrary homepage with the following elements:

- Header:** MyLibrary logo with the tagline "GAIN, RETAIN AND SHARE KNOWLEDGE".
- Welcome Message:** "Welcome to MyLibrary®, Your own tailored eContent resource library."
- Navigation:** HOME, RESOURCES, MY ACCOUNT, LOGOUT.
- Quick Search:** A search box with a "Full Text" dropdown and a "GO" button. A callout points to the "GO" button with the text: "Click here to browse all titles owned by the Library."
- Browse by Publisher:** Three dropdown menus for "A - G", "H - O", and "P - Z".
- Get an Account:** A section with the text: "You'll be able to save your searches, notes, and bookmarks with your own account. Create an account now >".
- Demo:** A section with the text: "Take a virtual tour of the MyLibrary e-book platform. Watch it now >".
- Content Section:** A "Content" heading followed by "Browse all e-books" and "Browse by Subject". A callout points to the "Browse by Subject" section with the text: "Click on subject name or 'See All' to find titles in that specific subject." Below this is a list of subjects: Medicine, Internal medicine, Medicine (General), Nursing, Pathology, Pharmacy and materia medica, Public aspects of medicine, Surgery, Science, Human anatomy, and Physiology, each with a "SEE ALL >" link.

Quick Search

The diagram illustrates the steps for using the Quick Search feature on the MyLibrary homepage:

- 1. Enter search terms here**: An arrow points to the search input field in the Quick Search section.
- 2. Select a field to search on**: An arrow points to the dropdown menu below the search field, which is currently set to "Full Text". Other options include "Keywords", "Title", "EAN/ISBN", "Author", and "Publisher".
- 3. Click 'Go'**: An arrow points to the "GO" button next to the search field.

General

What are e-books? [Top ▲](#)
 E-books are electronic versions of printed books. E-books can be viewed online from any PC connected to the Internet, or in some cases, downloaded to a PC or portable device. You can browse e-books for quick research and reference or read them at your leisure.

What is MyLibrary? [Top ▲](#)
 MyLibrary is an electronic platform that offers library users access to some of the most topical and current e-books available today. Users can access a wide range of research, reference and reading materials online from any location. Users can search across many e-books or conduct searches within a particular e-book.

Do I need to download anything to read your e-books? [Top ▲](#)
 No, you do not need to download any type of "reader". However, you do need to have Adobe Acrobat Reader (free) and an Internet connection.
