

Starting a paper in Education or Management? Look what I found in the Cambridge College Online Library!

Research Starters consist of comprehensive, yet concise topic summary articles of about 3,000 words in length written by researchers, scholars and other subject matter experts. Topics parallel course offerings at major colleges and universities in the subject areas covered. These articles are designed to be starting points for students, providing them with topic overviews, definitions of relevant terms and concepts, detailed bibliographies, and importantly, links to top articles from the relevant EBSCOHost databases. Research Starters supplement textbooks and other materials with current and focused topic overviews, assisting students in undertaking their assignments and research successfully.

Sample Research Starters – Education articles are:

*Ability grouping * Addressing Plagiarism * The Achievement Gap * Team Teaching * Culturally Responsive Teaching * Teaching Study Skills * Teaching Life Skills * Teaching ESL * Teaching Reading and Writing * Teaching Dyslexic Students * Employment Opportunities in Teaching * Teaching Students with Autism*

Sample Research Starters – Business articles are:

*Applications for Business Consulting in Marketing * Accounting Systems for Managerial Decisions * Advertising Management * Management of Human Resources * Project Management * Motivation, Productivity, and Change Management * Global Issues in Management*

Research Starters are included in the “Search here for Education” and “Search here for Management” searches.
