Welcome to the Cambridge College Web Based Registration Fall 2009 Course Schedule. ## **IMPORTANT REGISTRATION POLICIES**

### **Registration Period**

All continuing students must complete on-line registration **August 1-31, 2009**. However, students may add/drop courses through **October 5, 2009**. Registration will be closed after the add/drop period and students may not retroactively register for courses.

### **Add/Drop**

The fall semester add/drop deadline is **October 5, 2009**. Students who do not attend a class and do not officially drop within the add/drop period are responsible for full tuition. Please see the academic catalog and/or student handbook for policies on tuition credit for dropped courses. If notification of a drop is received after the add/drop period, the academic record will reflect “WD” and financial liability is in effect as described in the Academic Catalog and/or Student Handbook.

### **Academic Load**

Full time undergraduate students may register for a maximum of 15 credits. Full time graduate students may register for a maximum of 12 graduate credits. The Vice President for Academic Affairs must approve all exceptions to this policy.

### **Auditing**

Students wishing to audit a course must contact the Registrar’s Office to verify that the course is available for auditing. Please note that audited courses are not counted toward degree completion, cannot be converted to credit at a later date, and are not eligible for financial aid. Practicum and Internship courses may not be audited.

### **Class Lists**

Students must officially register for a course in order to appear on the official class list. Only students whose names appear on the official course list may receive credit for the course. An officially registered student is one who has successfully completed the registration process.
