Petition to "March Only" at Commencement

Non-graduating students may participate in the commencement exercises if they meet ALL of the following conditions:

- All core requirements, including the final project (Capstone, ILP/IRP, or Action Research Project) and required practicum and/or internship, must be completed and a passing grade documented in your academic record by the grade posting deadline (May 27, 2011).
• No more than six credits remain to be completed for your course of study.
• Academic completion is anticipated in the next term (summer) and registration for the summer term has been processed.

If all conditions listed above are fulfilled, please complete and submit this petition to the Registrar by April 15 to "March Only" in the graduation ceremony. Please take note of the following:

- A commencement packet will be mailed to qualified candidates following the review and approval of this form by the Registrar. If grades for spring courses are still pending, approval will only be conditional. Final approval will be granted once all grades and ILP/IRP, or Action Research Project titles are received.
• The petition is not an official audit; see your advisor for questions regarding program requirements.
• You must submit an Intent to Graduate form for the August 2011 conferral.
• Correspondence will be conducted via Cambridge College email.
