Planning Your Life for Your Education: “How to” Workshops for College Success

This workshop will provide tools for mapping out a college education that fits with an individual’s career and life goals. The interactive presentation will provide details on:

Part I: Planning Your Success

- Managing Life and School: Participants will be introduced to organizational strategies that will help to make the seemingly overwhelming goal of managing life and college achievable.
- Best Practices for Success: Participants will be exposed to best practices and available resources that will help to optimize the experience and impact on their professional development.

Thursday, August 14th, 2014 | from 3:00 p.m. - 4:00 p.m.

Part II: Financial Aid and Scholarships

- How to afford it: Participants will gain insight into optimizing financial aid, scholarships and other options to make this goal affordable.

Thursday, August 21st, 2014 | from 3:00 p.m. - 4:00 p.m.
