IMPORTANT REGISTRATION POLICIES

Registration Period

All continuing students may begin on-line registration **April 1, 2015**. Online registration will be closed immediately after the add/drop period and students may not retroactively register for courses.

Add/Drop

The summer semester add/drop deadline is **June 15, 2015 for undergraduate** students and **June 22, 2015 for graduate** students. Students who do not attend a class and do not officially drop within the add/drop period are responsible for full tuition. Please see the academic catalog and/or student handbook for policies on tuition credit for dropped courses. If notification of a drop is received after the add/drop period, the academic record will reflect “WD” and financial liability is in effect as described in the Academic Catalog and/or Student Handbook.

Academic Load

Full time undergraduate students may register for a maximum of 15 credits. Full time graduate students may register for a maximum of 12 graduate credits. The school’s deans must approve all exceptions to this policy.

Auditing

Students wishing to audit a course must contact the Registrar’s Office to verify that the course is available for auditing. Please note that audited courses are not counted toward degree completion, cannot be converted to credit at a later date, and are not eligible for financial aid. Practicum and Internship courses may not be audited.

Class Lists

Students must officially register for a course in order to appear on the official class list. Only students whose names appear on the official course list may receive credit for the course. An officially registered student is one who has successfully completed the registration process.

This schedule is subject to change. Please refer to the online schedule for course updates.
