

Mental Health Counseling

60 credits • 5-6 terms full time

Core program — LMHC • Addiction Counseling — CADAC, LADC • Geriatric Mental Health • Trauma Studies
Marriage & Family Therapy — MFT

MENTAL HEALTH COUNSELING provides graduate level professional training for mental health counseling licensure, with a strong commitment to an evolving multicultural society. Students are prepared to meet the licensing standards of the Massachusetts Board of Registration of Allied Mental Health Professionals.

Learning Outcomes — Students learn and apply the principles and best practices of counseling, including various psychotherapeutic techniques for work with individuals, couples, families and groups; group counseling, and consultation to organizations and communities. They study human development, dysfunctional behavior and mental illness. They learn to assess, diagnose and treat within the scope of the counselor's practice, and become able to utilize community resources for referrals. They learn and apply strategies for prevention and treatment of substance abuse, domestic violence, the spectrum of mental illnesses; and learn to use psychoeducational techniques aimed to prevent such disorders. They study research design and methodology. They become familiar with state regulations applicable to mental health practice and licensure.

Mental Health Counseling

Practicum and Internship

Includes field experience under a qualified supervisor, conforming to Massachusetts regulations 262 CMR. See program handbook.

Addiction Counseling: Must include 300 hours in an approved substance abuse treatment program with appropriate supervision in the 12 core functions.

Trauma Studies: Must include documented counseling experience related to trauma.

Marriage & Family Therapy: Students must complete a minimum of 740 hours of on-site field placement time, of which 300 hours must be done in direct face-to-face client contact. Students must receive a minimum of 160 hours of supervision, which includes 55 hours of individual supervision by an approved supervisor, a minimum of 50 hours of group supervision with no more than 10 students, and 55 hours of either individual or group supervision. At least 25 hours of supervision must be done through video/audio supervision or direct observation. As this is a joint LMHC/LMFT program, students must also have 50 hours of documented LMHC supervision for licensure.

Students are responsible for monitoring and understanding state requirements and regulations, and for ensuring that their program of study complies with all requirements for licensure/certification.

Cambridge College strives to cover academic requirements for the following credentials, for which graduates may apply:

- Licensed Mental Health Counselor (LMHC) licensure by the Mass. Board of Registration of Allied Mental Health Professionals. Candidates must also pass an exam and complete two years of post-master's supervised clinical practice.
- Certified Alcohol & Drug Abuse Counselor (CADAC) certification by MBSACC and Licensed Alcohol & Drug Counselor (LADC) licensing by the Mass. Dept. of Public Health.
- LMFT licensure by the Mass. Board of Registration. Candidates must also pass another exam. The post-master's clinical practice must be structured to meet LMFT regulations. Students will be able to use their LMHC to apply to insurance companies as independent practitioners.

Regulations may change at any time. Cambridge College reserves the right to alter the program accordingly. Program chairs are available to advise students.
