Cambridge College strives to cover the academic requirements for the following credentials, for which graduates may apply:

- LMHC licensure by the Mass. Board of Registration of Allied Mental Health Professionals. Some licensure requirements will have been covered in the MEd in School Guidance Counseling. This program provides the remaining academic requirements. Candidates must also pass an exam and complete two years of post-master's supervised clinical practice.
- School Guidance Counselor Professional Licensure. Students are expected to get their initial license once they have completed the M.Ed. in School Guidance Counseling. This further certificate will provide the academic requirements for professional licensure.

Regulations may change at any time. Cambridge College reserves the right to alter the program accordingly. Program chairs are available to advise students.

Students are responsible for monitoring and understanding state requirements and regulations, and for ensuring that their program of study complies with all requirements for licensure/certification.

Admission requirements:

- Completion of current Cambridge College 48-credit M.Ed. in school guidance counseling or equivalent program; official transcript required if from another college.
- Initial license as a school guidance counselor (photocopy).
- Interview with and approval of School Guidance chair.
