

Master of Education Leading to Massachusetts INITIAL LICENSURE

Early Childhood Teacher of Students With & Without Disabilities (PreK-2)

For licensure: 42 credits, 4 terms full-time • Non-licensure: 37 credits, 3 terms full-time
• Program approved by the Mass. Dept. of Elementary & Secondary Education

The Teacher Education Program at Cambridge College is awarded TEAC accreditation by the Inquiry Brief Commission of the Council for the Accreditation of Educator Preparation (CAEP) for a period of five years, from May 2014-May 2019. The accreditation does not include individual education courses that the EPP offers to P-12 educators for professional development, re-licensure, or other purposes.

The EARLY CHILDHOOD PREK-2 program is for students who plan to teach in private and or public schools. They are prepared with the appropriate skills and knowledge that will assist them in pursuing their initial license in Early Childhood PreK-2 With and Without Disabilities.

Learning Outcomes — Students learn the principles of early childhood education, including developmentally appropriate lessons and activities for educators working with children in preK-grade 2 settings. Students are introduced to practices appropriate for children with learning disabilities and for diverse students (not limited to English language learners). Students learn to work with parents and administrators to provide a solid program in the various academic areas to enhance the abilities of their children.

Careers — Graduates who have completed the licensure option are able to apply for initial licensure and are qualified for employment in private preschool/kindergarten as well as in public schools to teach in the early childhood arena.

Admissions requirements: Bachelor's degree and other general requirements.
Matriculation: All new students must register for the non-licensure option until they pass the MA Communication & Literacy Test (MTEL).
Non-licensure option: All program components are required except the Practicum, Practicum Seminar and teacher tests. Non-licensure students must complete all pre-practicum hours embedded in the courses.
Satisfactory academic progress — All students must maintain a minimum GPA of 3.0 or be placed on academic probation.
Program and course schedule subject to change.

Professional Seminar & Project9 credits

- ECE691-693 Professional Seminar (3 terms @ 2 credits)
ECE800 Independent Learning Project (take with Seminar III)

Courses 28 credits

- ELE500 Teaching Phonological & Phonemic Awareness & Phonics (0 credit; req. for ECE612)every term
