# COMMENCEMENT SPEAKER

## **JOSÉ C. MASSÓ, III**

Principal  
JCMIII Consulting LLC

A proud Afro-Puerto Rican, Mr. Massó has dedicated his life to celebrating Latino culture, history, traditions, and language while empowering Latinos—especially Afro-Latinos—with pride, unity, and collective strength.

As host of “¡Con Salsa!”, the longest-running music program on Boston’s WBUR 90.9 FM, Massó has spent more than five decades sharing Afro-Latin music, spoken word, and interviews with audiences around the world. His weekly bilingual program has served as a powerful bridge across languages, cultures, races, ethnicities, and nationalities.

Massó’s distinguished career spans education, government, politics, sports, entertainment, media, academia, philanthropy, and community service. He currently serves on the Boston Public Library Board of Trustees and is featured in the Smithsonian National Museum of the American Latino’s exhibit, ¡Puro Ritmo! The Musical Journey of Salsa.

His many honors include induction into the Massachusetts Broadcasters Hall of Fame in 2010 and recognition as an Amplify LatinX 2023 ALX100 Amplifier. He is also among the civil rights and social justice leaders honored at Freedom Plaza beneath the Embrace Monument on Boston Common, commemorating the legacy of Rev. Dr. Martin Luther King Jr. and Coretta Scott King.

Since 2024, Latino Heritage Month has included the annual Embrace Massó ¡Con Salsa! International Music Festival on Boston Common in his honor.

# HONORARY DEGREE RECIPIENT

## JOYCE CLARK, '11 G'21

Founder  
The Birthingheirs Project

For more than 25 years, Joyce Clark has dedicated her career to supporting women and families during some of life's most vulnerable and transformative moments. A practicing doula since 1998, she was inspired by the birth of her first child and has since become a leading advocate for compassionate, informed, and equitable maternal care.

As Founder of the Birthingheirs Project, Inc., Joyce has expanded access to culturally responsive maternal health support by developing resources and training opportunities that empower aspiring Black and Brown doulas. Her work has helped raise awareness of the critical role doulas play in improving maternal and infant health outcomes, particularly in communities disproportionately affected by healthcare inequities.

Joyce currently serves as Program Coordinator for the Center of Clinical Investigation and Maternal Health Team Lead with the Family Partnership Program at Brigham and Women's Hospital, where she continues to champion community-centered maternal care. She also previously served as Birth Ambassador for DONA International, advancing the doula profession on a national level.

A lifelong Boston resident, Joyce is deeply committed to civic engagement and social justice. She is an active member of the NAACP, having served as Health Chair for four years, and was recently appointed Environmental and Climate Justice Chair for the New England Area Conference Region II. She also serves on the Standards Committee of the Boston Ujima Project.

A proud alumna of Cambridge College, Joyce earned both her bachelor's degree in Psychology and her Master of Business Administration in Health Care Management. Her leadership, advocacy, and service continue to strengthen families and communities throughout Boston and beyond.
