Payment and Refunds

Student Financial Services • 617.873.0403 • sfs@cambridgecollege.edu • www.cambridgecollege.edu/offices/bursar

The following is an overview of information you need to be aware of as you begin your time at Cambridge College. The following items are subject to change at any time. Please refer to www.cambridgecollege.edu/offices/bursar for the most up to date information.

Course registration is contingent upon the payment of all amounts due to the College. Students owing a balance of more than \$50 cannot register for courses. Once registered for a term, payment or acceptable arrangements must be made prior to the start of the term. If a student registers after the term starts, or after add/drop ends, or after the established payment due date is past, payment is due one week after the registration.

Communicating With You

The Bursar's Office will often communicate with you by email to your Cambridge College email account. You are responsible for checking your email on a regular basis so you don't miss important information.

Billing of Tuition

Tuition bills are emailed at least 30 days prior to the start of the term. Payments are to be remitted on or before the due date indicated on the statement. This date is typically at the start of the term.

It is easy to calculate your tuition bill each term. On our website, go to your Cambridge College location, click on your academic program, and see current tuition rates posted on the Tuition tab. Multiply the number of credits you are taking by the per-term rate. (In some cases there may be other expenses in addition to course tuition.)

Always refer to your account online for the most up-to-date balance information.

Late Payment Fee

Students will be assessed a late payment fee if acceptable payment arrangements are not made by the due date indicated on the statement. Acceptable payment arrangements include payment in full, pending financial aid, approved third-party billing and an active and current payment plan with the Bursar's Office.

Paying for Your Education

There are several ways to pay for your college education:

- Financial aid (federal student loans, scholarships, etc.) — to apply for aid, go to www.cambridgecollege.edu/financial-aid.
- Employer tuition assistance programs or third party sponsor — acceptable if payment is made directly to Cambridge College and is not contingent upon grades. Please contact the Bursar's Office prior to the beginning of the term so that an invoice can be generated.
- Veteran's Benefits — if you are eligible for veteran's educational benefits, please speak with your Educational Services Officer (ESO) or counselor within your military service prior to enrollment, and contact the Bursar's Office to discuss your own particular situation. (see *Military Servicemembers & Veterans* on page 55).
- Using your own funds — see "*How to Pay Your Bill*" below.

How to Pay Your Bill

Online — Cambridge College has partnered with Nelnet for easy online payment transactions. Students now have the option to either pay via E-Check, Credit or Debit card options. This is available 24 hours per day and can be done in a few easy steps:

1. Log in to MyCC using your Cambridge College student credentials.
2. Select the “Finance” tab. Under the “Payments and Refunds” section, click “Nelnet Portal”.

Once logged in, students are able to make one-time payments and sign up for monthly payment plans. Some service fees apply.

Mail — Checks or certified funds must be made payable to Cambridge College and include your college ID number. Mail payment to Cambridge College, ATTN: Student Financial Services, 500 Rutherford Avenue, Boston, MA 02129.

In Person — During business hours, you can make a payment in person at our main campus, 500 Rutherford Avenue, Boston, MA. Payments are not accepted at any other College location. During periods of remote learning, the Office of Student Financial Services will be open from 9 AM to 5 PM, Monday through Friday. In addition, please be aware, staff are working remotely with limited access to the campus. Please call ahead and make an appointment to ensure a staff member will be on site to assist you. We will make every effort to accommodate you during these periods. Credit cards are not accepted onsite—credit card payments must be made via the Nelnet online portal.

Wire Transfer — Please contact the Student Financial Services Office if you are interested in making a payment via wire transfer.

Payment Plan — Payment plans can be established with Nelnet Campus Commerce. The payment plan allows you to pay your tuition and fees in four payments in the fall (July through October) and spring (November through April) terms, and three payments in the summer term (May, June and July). Please visit Nelnet Campus Commerce to create your account and set up your payment plan. We highly recommend that this is done immediately after registering for your courses.

To establish a payment plan:

1. Log in to MyCC using your Cambridge College student credentials.
2. Select the “Finance” tab. Under the “Payments and Refunds” section, click on “Nelnet Portal”.

Once logged in, students are able to make one-time payments and sign up for monthly payment plans. Some service fees apply.

Non-Payment

You will not be able to register until you have paid your bill. Once acceptable payment arrangements have been made, we can clear your account to register. Students with a balance will have a Bursar restriction (“Hold”) placed on their account. This restriction prevents access to grades, official transcripts; diplomas, and certificates. Students are notified of impending restrictions via email to their Cambridge College email address. **Non-payment may result in being dropped from your courses.** Please do not hesitate to reach out to us to discuss your billing statement—we are here to assist you with your financial needs.

The College will make every effort to work out repayment plans. In the event a balance remains outstanding, student debts will be submitted to a collection agency if payment is not received. In such cases, the student is liable for any court costs and collection agency fees.

Collection agency fees may total up to 40% of the outstanding bill, as allowed by Massachusetts law. Cambridge College reserves the right to report account information to a credit bureau.

Leave of Absence or Withdrawal

Students considering leave of absence or withdrawal are urged to see the Student Financial Services Office before leaving the College in order to arrange payment of any outstanding balance. Students who have received financial aid are required to contact the Financial Aid Office prior to withdrawing.

Cambridge College policy and procedures regarding withdrawal or leave of absence can be found in *Appendix A: Leave of Absence and Withdrawal Policy* on page 388 or at <https://www.cambridgecollege.edu/academic-policies-procedures/leave-absence-or-withdrawal>. Students must consult applicable policy and procedures in case of any questions regarding this withdrawal or leave of absence.

Refunds and Repayment

Tuition may be refunded. No other charges are refundable. Refunds of non-Federal/State funds are processed at the end of the academic year.

Financial aid repayment/return — Title IV financial aid or state scholarship monies are subject to federal regulations. See Repayment of Federal Funds or Repayment of Massachusetts Funds, under *Financial Aid*, below.

Refunds — Students who paid current tuition charges themselves (not from federal or state aid) are eligible for a refund of current term charges paid as follows:

<u>Date of Withdrawal from 8-20-week courses</u>	<u>Refund</u>
<i>(Week of instruction is 7 days)</i>	
Before add/drop deadline	100%
During week 3.	75%
During week 4.	25%
Thereafter	0%

<u>Date of Withdrawal from 5-week Courses</u>	<u>Refund</u>
<i>(Week of instruction is 7 days)</i>	
Before or during week 1	100%
During week 2.	75%
Thereafter	0%

<u>Date of Withdrawal from Intensive & Weekend Courses</u>	<u>Refund</u>
<i>(Weekend intensives: two-weekend schedule, 4 classroom days)</i>	
Before first class	100%
During week 1.	75%
Thereafter	0%

Excess Funds — Title IV

In accordance with federal regulations, excess funds from federal financial aid, over and above current charges, cannot be held without written authorization from the student.

Veteran's Addendum

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course, withdraw or discontinue prior to completion, will be made for all amounts paid which exceed the approximate pro rata portion of the total charges that the length of the completed portion bears to the total length of the course. The proration will be determined on the ratio of days or hours of instruction completed to the total number of instruction all days or hours in the course.

Military Tuition Assistance (TA) Refund Policy

Military Tuition Assistance is a benefit paid to the school for eligible military student recipients who are active members of the Army, Navy, Marines, Air Force, and Coast Guard. The student is awarded the TA benefit with the understanding that the student will attend the entire term. Cambridge College is required to calculate Military Tuition Assistance (TA) earned when a military student using TA withdraws.

As participants in the Department of Defense (DoD) Voluntary Education Partnership Memorandum of Understanding (MOU), students who officially or unofficially withdraw from a course before completing 61 percent of the term have not earned 100% of the amount of their voucher for the withdrawn course. Cambridge College is required to return the unearned portion of the TA funds to the military service that provided the TA funding. Unearned TA funds that are returned to the appropriate military branch of service will become a debt to the student.

Cambridge College will calculate the amount of unearned Tuition Assistance funds using the official last date of attendance, as determined by the institution's attendance records. The last date of attendance is used to determine the number of days completed.

To remain in compliance with the Department of Defense's policy, Cambridge College will return any unearned TA funds through at least 60% of the term on a prorated basis. The amount of unearned TA that is returned is based on the date of withdrawal from the course.

After 60% of the term has passed, TA will not be evaluated for a return to the DOD.

As an institution, the DOD will be billed after 60% of the term has passed to reduce the amount of incorrect TA funds being disbursed by the DOD to Cambridge College. We will only bill for the amount the student earned given their enrollment.

Schedule for returning unearned TA:

Date of Withdrawal from 14-16 week Courses Refund

(Fall and Spring traditional courses: week of instruction is 7 days)

Before or during weeks 1 – 2 100% return
 During weeks 3 – 4 75% return
 During weeks 9 – 10 40% return (60% of course is completed)
 During weeks 11 – 16 0% return

Date of Withdrawal from 8-9 week Courses Refund

(Online and Summer courses: week of instruction is 7 days)

Before or during week 1 100% return
 During week 2 75% return
 During weeks 3 – 4 50% return
 During week 5 40% return (60% of course is completed)
 During weeks 6 – 8 0% return

Date of Withdrawal from Intensive Courses Refund

(Intensive courses meet for 9.375 hours)

Prior to Day 1 100% return
 Prior to Day 2 60% return
 Prior to Day 3 40% return (60% of course is completed)
 After Day 3 0% return

For courses that have durations differing from those listed above:

Unearned TA funds will be returned on a prorated basis, depending on the length of the course. To determine the amount of TA that needs to be returned, the institution will determine the date the withdrawal was submitted, and then divide that by the number of days in the term to determine the percentage of TA that was earned by the student.

Example: The student enrolled in a course that's duration is 30 days. The withdrawal was submitted on the 14th day. The institution would perform the calculation to determine how much TA was earned by the student's attendance: (14 divided by 30 equals 46.6%. 47% of the TA authorized was earned by the student, which means 53% of what was authorized will be returned to the DOD).

Overpayment — Non-Federal Funds

Payments received on a student account, exceeding the account balance or anticipated charges, will remain on the account and be applied toward future term charges within the academic year. Remaining overpayments are refunded at the end of the academic year. No refunds will be issued at any other time unless the student is withdrawing or has completed their degree.

Graduation Clearance

All tuition and other charges must be paid in full by the published graduation clearance deadline in order to receive graduation clearance from the Bursar's Office.

California: Student's Right to Cancel

You have the right to cancel or withdraw and receive a refund of 100% of the amount paid for institutional charges, less the STRF of \$2.50 per \$1000, and a reasonable deposit or application fee not to exceed \$250, through attendance at the first class session, or the seventh day after enrollment, whichever is later, if notice of cancellation is received on or before the *right to cancel date*. See table below.

First Term of Enrollment, 2022-2023 Academic Year	Application Deadline	Classes Begin	Right to Cancel Date
Fall Term 2022	Aug 31, 2022	Sept 6, 2022	Sept 13, 2022
Spring Term 2023	Jan 13, 2023	Jan 17, 2023	Jan 24, 2023
Summer Term 2023	June 1, 2023	June 5, 2023	June 12, 2023

To cancel, download the Withdrawal form from www.cambridgecollege.edu/resources/student-forms, and submit the completed Withdrawal form to the Registrar's Office by the **right to cancel date** (Add/Drop Deadline).

After the **right to cancel** period, students are entitled to a pro-rata refund of services paid for, but not received, up to and including 60% of the period of attendance. The California Code of Regulations [CEC §94919](#), [§94920](#), [CCR §71750](#) pro-rata calculation will be applied.

Students are not required to purchase books, supplies or equipment through Cambridge College, and the College does not offer student housing or transportation. Therefore these expenses cannot be refunded by the College.

Student Health Insurance

Massachusetts law states that students who meet **all** the following criteria are required to be enrolled in the College's student health insurance plan or participate in a plan with comparable coverage.

- Attend classes within Massachusetts.
- Are enrolled in a certificate or degree program.
- Are enrolled full-time or three-quarter time (undergraduate: 9 credits or more; graduate: 6 credits or more).

A student's status as full or three-quarter time is determined as of the last date of the add/drop period.

International students (active for SEVIS) are assessed for health insurance regardless of credit load.

Annual Insurance waiver — Students who have insurance with coverage comparable to Massachusetts state criteria may waive out of the College's student health insurance plan by submitting an annual waiver request by the term deadline. It is the student's responsibility to determine and certify that their insurance is comparable. To submit the annual waiver request, go to https://mycc.cambridgecollege.edu/ICS/Welcome.jnz?portlet=Office_of_the_Bursar, and follow the instructions under Student Health Insurance; click on the external link provided, and follow the online instructions. In so doing they grant permission for the insurance provider to audit their insurance information, and if it is found to be falsified, inactive, or non-comparable to Massachusetts criteria, they will be enrolled in the insurance plan and will be charged the full insurance premium.

Students who do not submit an annual waiver request by the deadline are automatically enrolled in and billed for the College's student health insurance plan and are responsible for the cost of the plan. The deadline for the current term is posted on the *MyCC web portal* homepage.

Students are required to submit an annual waiver request in the first term they are enrolled and every fall term thereafter. Students returning after a leave of absence must submit the waiver request in the term when they return.

CC locations in other states — Students at Cambridge College locations outside Massachusetts are not required to purchase student health insurance.

CC Online — Fully online degree students do not require the College's health insurance plan and are not required to submit a waiver. If at any point in your program you register for an in-seat or hybrid course, you will be required to either enroll in the College's health insurance plan or submit a waiver.

CC Summer Institutes — Summer Institute students enrolled in more than three weeks of classes will need to show proof of health insurance. Massachusetts law does not require students enrolled in short-term courses (defined as no more than 15 days of classes for each term and 30 days total for the entire school year) to purchase student health insurance.

Adding Courses

Students who add courses after the term has begun are responsible for payment immediately. Students must check their account online for changes to their balances as a result of adding courses.

Dropping Courses

Tuition Charged

You must pay the full tuition for all courses for which you have registered, by the payment due date.

- However, if you correctly drop the course, you may get tuition credit as outlined below under **Tuition Credit**.
- If you do not attend class and do not correctly drop the course, you remain responsible for the full tuition.
- If you begin attending class and later cease attending classes without formally withdrawing, you remain responsible for the full tuition.

Tuition Credit

Date Drop Request is Received	Tuition Credit
8-20-week courses:	
Before add/drop deadline	100%
During week 3.	75%
During week 4.	25%
Thereafter	0%
5-week courses:	
Before or during week 1	100%
During week 2.	75%
Thereafter	0%
Intensive & weekend courses:	
Before first class	100%
During week 1.	75%
Thereafter	0%

Online courses have the same tuition credit policy as standard seated courses.

Withdrawals

The last day to withdraw is 10 days prior to the end of the term. Withdrawals are not permitted after the term ends. Medical or other withdrawal does not guarantee a tuition credit.

Student Tuition Recovery Fund

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution prepaid tuition and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589.

Eligibility

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- 1.The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- 2.You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
- 3.You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
- 4.The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5.The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6.You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7.You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Cambridge College Global Tuition and Fees

Tuition and Fees 2022-2023

Cambridge College Global (CCG) is committed to ensuring that everyone has access to higher education. CCG provides its students with a high quality, industry-specific education at reasonable tuition rates and with no hidden fees.

Tuition for programs in teach-out status will continue to follow the last New England College of Business catalog dated January 2020 and can be found on the former NECB website at <https://global.cambridgecollege.edu/archive/necbedu-2020-03/documents/>.

Financial Aid

Financial Aid Office (Student Financial Services) • 617-873-0403 • sfs@cambridgecollege.edu
• www.cambridgecollege.edu/offices/financial-aid

Financial aid is available for our students who qualify, to assist in financing educational expenses at Cambridge College. Visit www.cambridgecollege.edu/offices/financial-aid/ to begin the financial aid process. The financial aid staff is available to assist students by phone, by appointment and by email.

Eligibility for Financial Aid

It is essential that students comply with requirements in order to receive financial aid.

Eligibility Requirements

Eligibility for federal financial aid is determined by the following criteria:

- Students must be enrolled in a Title IV approved program leading to a degree or certificate and the student may only receive federal financial aid for classes that are required for degree completion. Classes outside of a student's approved program cannot be used in cost of attendance calculations and determination of half time enrollment. Students enrolled in non-degree programs or certificate programs not Title IV approved are not eligible for federal financial aid.
- Students may not receive federal financial aid from two schools at the same time. Students can only receive federal aid from the school from which they are matriculated.
- The maximum time frame allowable to complete a program will be no more than 150% of the published full-time length of the program (measured in total credits attempted, including transfer credits) for undergraduate students. If a student does not complete a program in less than 150% of the published length of the program they will no longer be eligible for federal aid. (See policy on *Satisfactory Academic Progress* on page 33.)
- Students must be enrolled at least half time to receive a federal direct loan (undergraduate: at least 6 credits; graduate: at least 4 credits; DBA: at least 3 credits).
- Students must be enrolled full time to receive the maximum Pell Grant. If a student is enrolled less than full time, the Pell grant will be prorated based on enrollment status.
- Federal financial aid will be adjusted if a student withdraws from all classes before 60% of the term is completed. Students may have a balance owed to the College after these adjustments to financial aid are posted to the student's account. (See policy on *Leave of Absence or Withdrawal* on page 36.)
- Students must have financial need except for the unsubsidized loan program and some merit based aid or private grant aid. Need is defined as the cost of attendance minus the expected family contribution derived from filing the Free Application for Federal Student Aid (FAFSA).
- Students must have a high school diploma or equivalent (General Education Diploma (GED) certificate, a certificate from a state-authorized examination that the state recognizes as the equivalent of a high school diploma, a two year degree acceptable for full

credit towards a bachelor degree), or have completed a high school education in a home setting that is treated as a home school or private school under applicable state law.

- Students must be a U.S. Citizen or eligible non-citizen.
- Students must have a valid Social Security Number.
- Students cannot be in default or owe money on a federal student loan.
- Male students ages 18-25 must register with the Selective Service.

Academic Award Year

For awarding purposes the Fall term is considered to be the beginning (header) of the academic award year for Cambridge College. The Summer term will be considered the end (trailer) for the academic award year. For determining eligibility and disbursing funds the Free Application for Federal Student Aid (FAFSA) year must match the academic award year.

Example: Student applies to start in the Summer 2021 term, the last term of the academic award year 2020-2021. Student must file the 2020-2021 FAFSA and will be awarded for the Summer 2021 term only. For the next academic award year of 2021-2022, the student must file the 2021-2022 FAFSA, and will be awarded starting with the Fall 2021 term and ending with the Summer 2022 term.

Verification

Students sometimes make errors on their financial aid application. The Federal Department of Education requires that approximately 30% of Free Application for Student (FAFSA) filers be verified, as selected by the Department of Education central processing system (CPS). However Cambridge College also has the authority, and may be required, to verify additional students. This policy applies to all Cambridge College students and their parents (only dependent students).

Selecting students — Cambridge College will request verification information from all students who are selected by the central processing system (CPS). Required verification items are: Household size as defined by the federal Department of Education; number in college; adjusted gross income as supplied by the IRS; U.S. taxes paid; certain types of untaxed income and benefits such as child care, IRA/Keogh deductions, interest on tax-free bonds (examples not all inclusive); all other untaxed income included on the U.S. income tax return.

Cambridge College is also required to verify any application information that appears to be incorrect or contains discrepancies. Students with these applications are considered to be selected for verification by the College even though the data being verified may not be same as the required items for CPS selected students.

Notifications — Students who are selected for verification will be notified in writing in a letter which lists all documents that have been requested. This information is also posted on the student's Cambridge College MyCC account. Students whose award has changed due to verification will be notified through an updated award letter indicating the changes to each and any award.

Deadlines — Students are responsible for submitting all required verification items by the established deadline included in the letter sent to the student. Failure to submit required documents by the deadline may forfeit Federal Financial Aid eligibility. Deadlines are established each academic year and are located on the Cambridge College Financial Aid Application and on the Cambridge College web site: <https://www.cambridgecollege.edu/financial-aid/financial-aid-calendar>.

Ongoing Eligibility

- Students must re-apply every year at www.cambridgecollege.edu/applying-financial-aid
- Students must work consistently towards completing their degree in a timely manner, while making **satisfactory academic progress**.

Satisfactory Academic Progress

Satisfactory Academic Progress (SAP) is a measure of progress toward the completion of a student's course of study according to Cambridge College standards and required by federal regulations. Students must meet these standards to maintain eligibility for federal financial aid. These standards apply to all federal financial assistance programs and to all students: full-time and part-time, undergraduate, and graduate, degree and certificate candidates. The Financial Aid Office measures student academic progress by calculating completed credits as a percentage of attempted credits after each term.

For Financial aid satisfactory academic progress policy, see *Appendix B: Student Satisfactory Academic Progress (SAP)* on page 394 or visit www.cambridgecollege.edu/federal-financial-aid-student-satisfactory-academic-progress-sap. If you have any questions or concerns feel free to contact the director of financial aid.

Grants for Undergraduate Students

Pell Grant

Federal Pell Grants may be awarded to undergraduate students based on criteria established by the U.S. Department of Education. Students may receive Pell Grants up to 600% of Life Time Eligibility (LEU). This is calculated by the Department of Education. No repayment required.

SEOG

Supplemental Educational Opportunity Grants (SEOG) for undergraduate students range from \$200 to \$2,000. Preference is given to Pell Grant recipients with high financial need. No repayment required.

Loans for All Students

Federal Direct Loans

William D. Ford Federal Direct Loans are available to students who are enrolled at least half time. Federally subsidized loans, available to undergraduate students only, are based on financial need. Unsubsidized loans are available to all graduate students and to undergraduate students who do not qualify for subsidized loans.

First time borrowers on or after July 2013 cannot receive Subsidized Loans for more than 150% of the published length of the borrower's educational program.

The interest on subsidized Federal Direct Loans is paid by the federal government while students are enrolled. Students may pay the interest on Federal Unsubsidized Direct Loans while enrolled or allow the interest to accrue. Accrued interest will increase the principal amount of the loan and result in higher monthly payments. Repayment begins six months after a student is no longer enrolled at least half time.

Grad Plus

Grad Plus Loans, with a fixed rate of 7.54%, are available to credit-worthy students. If a student is denied on the basis of an adverse credit history, the student may obtain a credit-worthy endorser who will be responsible for the loan. The Grad Plus is available to students only after they have borrowed the maximum on the unsubsidized Direct loan.

Parent Plus

Parent PLUS loans, with a fixed interest rate of 7.54%, are available to credit-worthy parents of DEPENDENT students. If a parent is denied on the basis of an adverse credit history, the parent may obtain a credit-worthy endorser who will be responsible for the loan. If a parent is denied and cannot obtain an endorser, the student is eligible for additional Direct Unsubsidized funds. The Parent PLUS loan is available to students/parents only after they have borrowed the maximum on the Direct loans for dependent students.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any funds refunded to the loan provider, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds

How Loans are Calculated

Students may receive federal financial aid for direct costs of a degree or eligible certificate, including **tuition and fees**. **Courses outside of the degree requirements are not eligible for financial aid.**

Credits/Term

Federal financial aid awards are based in part on enrollment status: the number of credits taken each term. Federal guidelines are as follows:

Enrollment Status	Credits each term		
	Undergraduate	Graduate	DBA
Full time	12 or more	8 or more	6 or more
At least half time	6 or more	4 or more	3 or more

Credits earned through portfolios and exams are not counted toward the minimum number of credits/term.

Student Enrollment Data

The number of credits registered for, enrollment status, leave of absence, withdrawal, etc. is electronically downloaded to the National Student Loan Clearinghouse each term by the Registrar's Office. Student loan vendors receive this information directly to verify in-school status.

Other Educational Expenses Eligible for Financial Aid

Computer for new and continuing students — The cost of one computer for your academic program may be included in your first-year federal student loan. (See requirements under *Computer Use and Policies*.) **Wait until you receive your award notice to be sure you are eligible, before you buy your computer.** Or you can wait until you receive your financial aid refund check, which will include the loan amount for your computer.

If you buy a computer too soon, and find that you are not eligible for it, Cambridge College will not be able to assist you with funding.

If **continuing students** do not yet have a computer that meets the requirements and now you need one, please contact the Financial Aid Office to discuss your needs.

Standardized tests — Undergraduate students may take CLEP or other standardized exams for credit, or earn credits by portfolios.

Room and board (Summer Institutes only)— Students may receive federal financial aid for room and board if residency is **required** to attend their academic program.

- Arranged by Cambridge College — If Cambridge College has contracted with a hotel, conference center or college to provide rooms for students, the reasonable cost of basic accommodations may be included.
- Arranged by students — If students elect to stay elsewhere, or if the College has not arranged for accommodations, students must pay all their expenses up front. They may submit receipts to be considered for reimbursement.

A printed receipt or lease agreement is required from the hotel or other rental agency, showing the amount paid, date, and student's name, before additional funding can be offered.

Transfer Credits

Prior transfer credits accepted are included in the credits earned in your first academic year. The number of terms allowed to complete your program is correspondingly reduced.

Grade Level

In accordance with federal guidelines for determining awards, undergraduate students are classified by grade level. For example, students are classified as first year until they have completed 30 or more credit hours.

Prior Student Loans

Students enrolling in eligible degree programs may be eligible for in-school deferment of prior student loans. Please contact the *Registrar's Office* if you have questions.

Scholarships

Cambridge College Scholarships

Cambridge College scholarship funds, provided by donors and College general funds, are awarded only through the Office of Financial Aid. The College reviews all undergraduate and graduate students enrolled in degree and certificate programs for scholarship eligibility, based on the following criteria:

- Completion of the annual Free Application for Federal Student Aid (FAFSA) for all need based scholarships. (see www.cambridgecollege.edu/financial-aid/applying-financial-aid).
- Continuing students must meet "Satisfactory Academic Progress" requirements.
- Students must be in compliance with the College's Code of Student Conduct.
- Students must demonstrate financial need where necessary — based upon the Expected Family Contribution on the FAFSA.
- Students must meet any other requirements as set forth by the donor.

Scholarship information is available at:

- www.cambridgecollege.edu/financial-aid-resources/scholarships
- Financial Aid tab on the MyCC web portal which is accessible to students once they have been accepted, have their student ID number, and set up their personal account.

Students who withdraw, cancel, become inactive, enroll less than full-time (when full-time enrollment is required for scholarship retention), or are suspended or dismissed from the College will lose their scholarship eligibility. Students who are classified under one of the above categories due to medical reason may appeal in writing to the Committee to have their scholarship reinstated. The appeal must be submitted in writing with supporting documentation.

For full policy, see *Appendix B: Scholarship Awarding and Administration Policy* on page 397 or visit www.cambridgecollege.edu/scholarship-awarding-and-administration-policy

Other Financial Aid Resources

Alternative Loans

For more information and to apply for alternative loans please go to www.elmselect.com

Military Personnel

Veterans may be eligible for G.I. Bill® assistance. Information is available from the Cambridge College Student Affairs Office or from your regional Veteran's Administration Office. Go to www.cambridgecollege.edu/resources/veterans-benefits

Federal College Work Study

These funds provide part time employment to students to help meet educational expenses. Eligibility is based on financial need. Internship sites may be considered for off-campus work study opportunities. For more information and current opportunities, go to www.cambridgecollege.edu/financial-aid/work-study

State Aid

Cambridge College students are encouraged to research financial aid opportunities in their own states.

Massachusetts State Scholarships

Massachusetts residents pursuing undergraduate degrees may be eligible for the Mass State Grant or other state funding. The maximum award amount varies, depending on state funding. The application (FAFSA) must be filed before May 1 for consideration for the following academic year. Students must be full-time to receive state grants. Go to www.cambridgecollege.edu/grants.

Tax Benefits

Various tax benefits are intended to help students and their parents, as well as all working Americans, to fulfill a variety of educational objectives. For information, go to www.cambridgecollege.edu/financial-aid-resources/other-financial-aid-resources

How Funds are Disbursed

Financial Aid Award Letter

You will receive an email with your financial aid award. Your award can also be viewed on the MyCC portal..

Awards and Disbursement

Loans are prioritized and disbursed according to the number of terms enrolled. In accord with federal policy, financial aid awards are posted to students' accounts at Cambridge College, not directly to students themselves. Once the College receives the loan disbursement from the government, the College credits the student's account. Any federal funds in excess of current charges may be refunded to the student after term charges have been paid, pending any change of enrollment status.

Schedule of Disbursement

The initial disbursement of financial aid funds to student accounts begins two weeks after the add/drop deadline for the 15-week classes each term, and occurs bi-weekly thereafter.

Refunds and Excess Funds — Title IV

Students must wait for awards to be credited to their student accounts. Any federal funds in excess of current charges may be refunded to students after term charges have been paid, pending any change of enrollment. Any excess funds are refunded within 14 business days after the disbursement is credited to a student's account (14 days after the add/drop deadline, if credited earlier). Students will be enrolled into a Nelnet Campus Commerce refund account by Cambridge College. After receiving the refund notification email from Nelnet Campus Commerce, students have approximately 24 hours from the receipt of the email to make changes to their refund method or account before the funds will be disbursed. Students can choose to have their refund directly deposited into either a savings or checking account. If no bank information is provided, Nelnet will send a physical check to the student's address on file with the College.

According to federal tax laws, these refunds are regarded as taxable income.

Repayment Process and Loan Rehabilitation

Exit Counseling

All borrowers of federal student loans must complete federally mandated exit counseling when graduating or dropping to less than half-time enrollment status. Exit counseling prepares students for re-payment. Students must do the exit counseling in its entirety, with complete and correct information; otherwise the degree, diploma, and official transcripts will be withheld.

To complete the exit interview online, go to <https://studentaid.gov/>, and click on Exit Counseling.

Loan payments may be necessary long after graduation. Federal authorities pay careful attention to student loans. Defaulting on federally subsidized loans is a serious offense. With careful planning, students should be able to enjoy the rewards of their study at Cambridge College without being overburdened by payments.

Loan Default and Rehabilitation

Current and former students with an outstanding balance on a defaulted loan, who have not made satisfactory arrangements for payment, will not receive official or unofficial transcripts.

Defaulted Direct and Perkins (and Stafford) loan borrowers are eligible for rehabilitation and restoration of Title IV eligibility. Borrowers may regain eligibility after six on-time consecutive monthly payments; however, the loan is still in default. Once twelve such payments have been made, a federal loan is removed from default, or “rehabilitated”. Defaulted borrowers must request rehabilitation. In the case of borrowers who have a judgement rendered on their loan, borrower payments must be “voluntary” — equal to the amount required under the judgement.

Federal Financial Aid Withdrawal

Leave of Absence or Withdrawal

Students who need to withdraw or take a leave of absence from Cambridge College may do so for academic, disciplinary, personal, or medical reasons. If the student is receiving federal financial aid and withdraws from the College, Life Time Eligibility (LEU) they may be subject to federal financial aid return policies. **Students must notify the Financial Aid Office about any change in planned period of enrollment, whether due to drop/withdrawal from a class, leave of absence, a change in academic division, or withdrawal from the College.**

Withdrawal Deadline

The last day to withdraw is 10 days prior to the end of the term. Withdrawals are not permitted after the term ends. Medical or other withdrawal does not guarantee a tuition credit.

Non-Attendance (No-Show)

Non-attendance does not constitute official withdrawal. If a student who began attendance and did not officially withdraw fails to earn a passing grade in at least one course over an entire term, the College must assume that the student has unofficially withdrawn. For this purpose, non-passing grades are defined as No Credit/Incomplete (NCI), No Credit (NC), Withdrawal (WD), Administrative Withdrawal (AW), No Show (NS). Unofficial withdrawals will be determined within 90 days of the end of the term. Federal financial aid recipients will have their awards reviewed and recalculated, resulting in a reduction in federal financial aid awarded.

Return of Title IV Aid

The Financial Aid Office is required by federal statute to recalculate Title IV financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a term.

- **Recalculation** is based on the percentage of earned aid using the following Federal Return of Title IV funds formula: $\text{Percentage of earned aid} = \frac{\text{number of days of the term completed up to the withdrawal date}}{\text{total days in the term}}$. For unofficial withdrawals, the withdrawal date used for aid recalculation is the midpoint of the term. Any break of five days or more is not counted as part of the days in the term.

- **Funds are returned to the appropriate federal program** based on the percentage of unearned aid using the following formula: $\text{Aid to be returned} = (100\% \text{ of the aid that could be disbursed} - \text{percentage of earned aid}) \times \text{total amount of aid that could have been disbursed during the term}$.
- If a student earned less aid than was disbursed, the College is required to return a portion of the funds that have been received by the student. Keep in mind that when federal Title IV funds are returned, **the student may owe a balance to the College**. If a student earned more aid than was disbursed, the College would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student’s withdrawal.

Repayment

Repayment of Federal Funds

Students receiving federal financial aid who withdraw from the College or stop attending all classes during a term before more than 60% of the term has elapsed, are subject to specific federal regulations.

The amount of Title IV aid that you must repay is determined by the federal formula for return of Title IV funds as specified in Section 484B of the Higher Education Act.

The amount of Title IV aid that you earned during the term before you withdrew is calculated by multiplying the total aid for which you qualified by the percentage of time in the term that you were enrolled (college work-study not included).

Your disbursement or repayment owed:

- If less aid was disbursed to you than you earned, you may receive a late disbursement for the difference.
- If more aid was disbursed to you than you earned, you will be billed for the amount you owe to the Title IV programs and any amount due to the College resulting from the return of Title IV funds used to cover College charges.

Cambridge College will return the unearned aid to the Title IV programs as specified by law:

1. Unsubsidized federal loans
2. Subsidized federal loans
3. Federal Perkins loans
4. Federal PLUS loans
5. Federal Pell Grant
6. Federal Supplemental Educational Opportunity Grants (SEOG)

Repayment of Massachusetts Funds

Students who have received financial aid from the Commonwealth of Massachusetts are subject to the following repayment/refund policy.

The amount of aid you earned during the term before you withdrew is calculated by applying the federal formula for return of Title IV funds:

- If you also received federal Title IV aid this term, then the percentage of Massachusetts aid earned is the same as the percentage of Title IV aid earned.
- If you did not receive Title IV funds, the College shall use the federal formula for return of Title IV funds to determine the percentage of Massachusetts aid earned.

The following are then applied to your tuition fees:

- The amount of state and federal aid earned (see above).
- All other sources of financial aid.
- All scheduled cash payments.
- The unearned portion of state financial aid.

The result is your remaining unpaid balance of tuition charges and mandatory fees.

Note: the College cannot make any unauthorized post-withdrawal award and/or disbursement of state financial aid to cover this balance.

Your disbursement or repayment owed:

- If the remaining balance is greater than or equal to the unearned state aid, then additional state aid can be “earned” by a student that equals 100% of unearned state aid.
- If unearned state aid is greater than the unpaid balance, then additional earned state aid has to be equal to the value of the remaining balance.

You will be billed for any amount you owe to Massachusetts financial aid programs and any amount due to the College resulting from the return of Massachusetts funds used to cover College charges.

Cambridge College will distribute the remainder of unearned state aid back to Massachusetts financial aid programs as specified by law.
