Message from the Director

Welcome to Cambridge College Southern California. We are excited to share with you our third edition of our quarterly letter newsletter - SoCal Insider. I encourage you to explore and learn more about our site; news, spotlights, events and the exciting opportunities to become engaged.

Cambridge College has been a pioneer in adult learning since its founding in 1971. We continue to be leader's in providing an environment that empowers adult learners to build on their life experiences. As the Regional center Director, I am committed to providing strong customer service and a positive learning center that supports and guides our students throughout their degree programs.

Rita Clemons

Faculty Spotlight

Courtenay Griffin

Our adjunct faculty member Courtenay Griffin was honored by the Epilepsy Center for bringing awareness to epilepsy and her commitment as a school participant. Courtenay took her Families with Special Needs Class to the Epilepsy Conference held in 2015 at Inland Regional Center. "I am truly honored to receive this certificate of appreciation as a mother of a child with special needs and one who suffers from a seizure disorder this cause is very close to my heart." congratulations Courtenay to your commitment and dedication to student services and community outreach.

Faculty Stories

Presentation to the Chamber of Commerce

On October 8th, 2015, Adjunct Professor Courtenay Griffin, presented Cambridge College's educational programs to the Rancho Cucamonga Chamber of Commerce. Her presentation highlighted the new MBA program. The presentation was well received by the members. With such an engaged audience, Courtenay was able to field everyone's questions. Thank you Courtenay!

Museum of Tolerance Visit

Cambridge College Southern California students took a trip to the Museum of Tolerance. Courtenay Griffin and her students had a touching experience while touring the Holocaust Exhibit. We encourage you to visit the Museum of Tolerance.

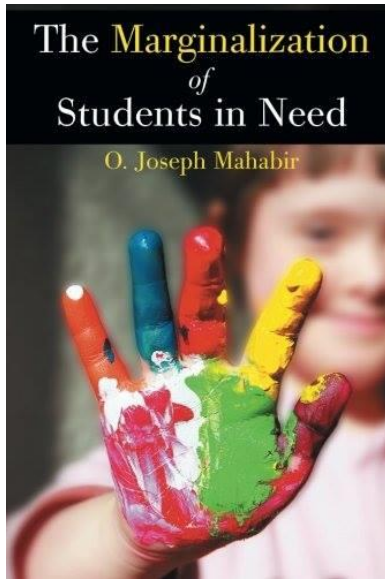

San Bernardino County Schools Book Drive

County Schools Superintendent Ted Alejandro and our Director, Rita Clemons showed their support for the San Bernardino County Schools Open House and Book Drive.

Faculty Stories

Faculty Book Release

Our very own Dr. Mahabir has released a new book “The Marginalization of Student in Need”.

This book surveys the exclusion of students with disabilities from obtaining an appropriate education in the early history of the nation to the current time. It finds that in spite of the tireless efforts of parents, advocates, court legislation and federal mandates, students with disabilities especially minority students and second language learners, still continue to be deprived of an appropriate education.

This book is available for purchase on Amazon.com.

Inland Empire United Way

Southern California raised several hundred dollars in support of a Brown Bag Childhood Hunger Campaign and was the recipient of a Community Service award presented by Inland Empire United Way.

Cambridge College is proud to be a United Way sponsor. We had a great time at the kickoff event and look forward to continuing to give back to our community!

Operation Community Cares

In celebration of our Veteran's, Cambridge College Southern California faculty and staff participated in Operation Community Cares outreach by packaging holiday care packages for our service men and women.

Operation Community Cares is an organization that proactively supports the health and welfare of our American Servicemen and Women across the globe.

They have various programs that aim to support the troops' personal needs. From an online message center, to a photo album, to a place to donate various items to and for our troops. Visit their website at www.OperationCommunityCared.org

Student Spotlight: Student Ambassador

Tiffany Marzullo

Meet Tiffany Marzullo, our Undergraduate Student Ambassador.

Tiffany is a natural leader which is why she was the right choice for the job. Being an advocate for the student body and someone new students can come to with questions or concerns, and even the faculty at times, is truly an honor for Student Ambassadors. Tiffany is sincerely proud to represent Cambridge College. As a current student in the Human Services program she firmly believes in what “My College My life,” Cambridge represents.

"Cambridge is my college and I am taking the steps in my life to succeed and fulfill my dreams. As the Student Ambassador, I can only hope to shed and share that light with many more." - Tiffany Marzullo

She turns her fears into accomplishments and her dreams into her reality! Thank you Tiffany for all that you do and we are proud to have you as our Student Ambassador.

The possibilities are endless, and it finally took a great conversation with the admissions counselor at Cambridge College, to get that spark back in me! She opened my eyes to see that I can still do what I have always set out to do...I am only 30 and I have my whole life ahead of me. Why not make it worth my while and set myself up for success? Turn my dears into accomplishments. Make my dreams a reality! I am going in with my head held high and can confidently say, “I am ready to finish my degree and become a college graduate. I can see the light at the end of the tunnel, and it is a bright one that is leading me to a successful life and future!” Cambridge...I don't think you're ready for me...but I am definitely ready for you!

Tiffany Marzullo

A Message From A Student

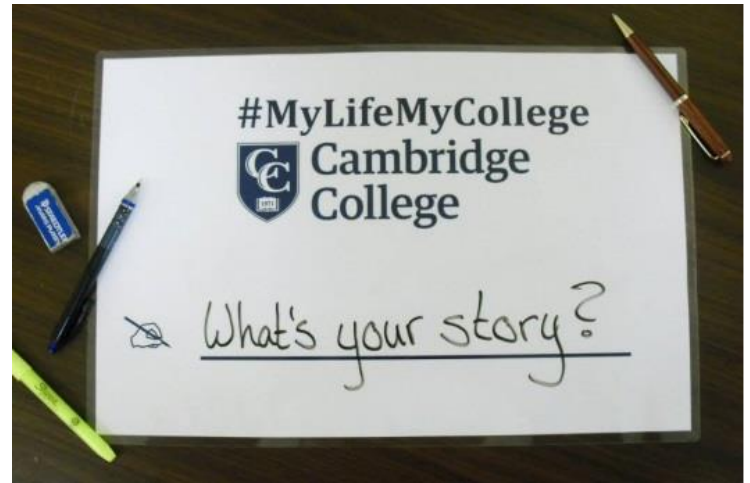

"Hello everyone! My "ACKNOWLEDGMENTS" for Cambridge College from my ILP research paper...

I would like to thank my teachers, professor, colleagues, and staffs that continuously support and encourage me to "keep going, it will be over before you know it". Thank you for understanding how important this Master's Degree was for me to achieve. This experience has proven to me that I am stronger than I think. I still cannot believe that I actually made it through this Master's Degree program. Thank you everyone, from the bottom of my heart for pushing me, so I can have the confidence in myself and never give up in my goals."

*Class of 2014 B.A. Degree
Class of 2016 M.A Degree*
