Classification of Instructional Program: <http://nces.ed.gov/ipeds/cipcode/cipdetail.aspx?y=55&cipid=88148>

Department of Labor Occupational Code (SOC): The Occupational Network (O*Net) has developed an online database that analyzes hundreds of occupations in terms of the tasks that they perform, the tools and technologies that are used in that occupation, the educational requirements of that program and wage and employment trends for the program at the state and national level. The O*Net database does not have a specific code for this program. Here are O*NET links to occupations that are especially relevant:
