The Office of Student Affairs (OSA) serves as a vital resource for all Cambridge College students. With a focus on enhancing their quality of life, the OSA supports the many facets of a student’s life through a four-pillar model of care:

**Student COMMUNICATION** – Orientation and training events provide students with the necessary information and resources as they progress at the College. Check CC email and MyCC often for announcements and updates.

**Student CARE & SERVICES**– Care for students is provided through academic, disability, and career advising. The OSA also makes available mediation for personal concerns and unresolved issues.

**Student CONDUCT** – The purpose of the Code of Conduct is to establish standards of personal conduct for each student with the goal of reflecting sensitive and responsible behavior towards one another. There is zero tolerance for harassment of any nature.

**Student COMMUNITY** – Opportunities for personal and academic growth are accessible through the co-curricular life that encourages students to participate in skill-building workshops, networking events and community gatherings.

Financial Aid – Steps to Success

✓ Get your FAFSA and financial aid information in early
✓ Plan financial aid by the year
✓ Undergraduate Students MUST register for at least 6 credits if you want to receive financial aid
✓ Graduate Students MUST register for at least 4 credits if you want to receive financial aid
✓ Only take courses within your program of study
To apply for financial aid, new students must complete the following five steps. Failure to complete all steps will delay your receiving financial aid.

**Step 1: Create a FSA ID**
When logging in to fasfa.gov, click the link to create an FSA ID. Create a username and password, and enter your e-mail address. Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers. If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN. Review your information, and read and accept the terms and conditions. Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the websites.

**Step 2: Complete the FAFSA form for the current award year.**
You will need information from your most recent federal tax return and W-2 forms. (For example, for the 2013-2014 academic year, you will need your tax return and W-2 for 2012.) For assistance, please call the FAFSA hotline at 800-433-3243. Cambridge College's school code is 021829.

**Step 3: Complete the mandatory Entrance Counseling Subsidized/Unsubsidized Stafford Loan.**
All new students must complete entrance loan counseling prior to loans being disbursed to their account. Sign in with your PIN and click on Entrance Counseling Subsidized/Unsubsidized Stafford Loan and follow online instructions. The session will take about 25 minutes to complete, and the Financial Aid office will receive electronic confirmation. Entrance Counseling is a federal requirement even if you have borrowed at other schools.

**Step 4: Financial Literacy Counseling**
All students must complete financial literacy counseling prior to loans being disbursed to their account. Go to www.saltmoney.org, create an account and sign in, click on Get Money Smart and complete the following required courses. You must score at least 80 on each.
- Loan Repayment: Budgeting
- Financial Goals: Credit and Debt Management

**Step 5: Complete the Master Promissory Note**
You must complete a new promissory note. The Cambridge College direct loan code is G21829. Go to www.studentloans.gov and click on "Sign Master Promissory Note." For assistance, call Direct Loan Applicant Services at 1-800-557-7394.

Student Conduct

- Forms of Harassment
- Dangers of Domestic Violence
The Student Code of Conduct (“Code”) applies to all students enrolled in any course or program at Cambridge College (“College”), including regional locations and the NITE program. In addition to all on campus activities and social activities, the Code also applies to College-sponsored or supervised events off campus and to off campus conduct by students that, in the judgment of the College, may affect the interest of the College. Below are examples of some prohibited conduct and relevant regulations:

**Harassment**

Harassment as a form of discrimination is defined as verbal or physical conduct that is directed at an individual or group because of race, color, religion, sex, sexual orientation, age, disability, marital status, citizenship, national origin, genetics, or any other characteristic protected by law when such conduct is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of interfering with an individual’s or group’s academic or work performance; or of creating a hostile academic or work environment. This conduct can include technology-based communications such as texting, online classroom chats, or social networking sites.

**Sexual Harassment** is a form of sex discrimination and is described as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, including but not limited to technology-based communications such as texting, online classroom chats, or social networking chats, even if carried out under the guise of humor, and constitutes sexual harassment when:

- submission to or tolerance of such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education; or
- submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions (including admissions and hiring) affecting that individual; or
- such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile or offensive employment, educational or living environment.

Complaint procedures can be found on-line at [www.cambridgecollege.edu/non-discrimination-and-harassment](http://www.cambridgecollege.edu/non-discrimination-and-harassment).

**Title IX**

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs and activities that receive federal financial assistance. The Title IX regulation describes the conduct that violates Title IX. These violations may include but are not limited to programs and activities surrounding “admissions, recruitment, financial aid, academic programs, student treatment and services, counseling and guidance, discipline, classroom assignment, grading, vocational education, recreation, physical education, athletics, housing and employment” (“Title IX and Sexual Discrimination,” 2012).

To enforce Title IX, the U.S. Department of Education maintains an Office for Civil Rights, with headquarters in Washington, DC and 12 offices across the United States. Complaint procedures can be found on-line at [www.cambridgecollege.edu/non-discrimination-and-harassment](http://www.cambridgecollege.edu/non-discrimination-and-harassment).

Further information: U.S. Department of Education, Office for Civil Rights. [http://www2.ed.gov/about/offices/list/ocr/docs/tix_dis.html](http://www2.ed.gov/about/offices/list/ocr/docs/tix_dis.html)
**Violence against Women Act (VAWA)**

In March of 2013, the Reauthorization of VAWA focused on helping the victims of domestic violence, sexual assault, dating violence and stalking, as well as providing assistance to law enforcement for these crimes. Cambridge College policy encourages members of the community to promptly report crimes to local police keeping in mind that victims are the ones who must decide whether to pursue criminal prosecution of campus sex crimes based on individual confidentiality decisions.

Reported incidents of student related sexual crimes should be immediately brought to the attention of the Dean of Students who also serves as the Assistant Title IX Coordinator in assessing and responding to these matters. When an incident of domestic violence, dating violence, sexual assault, or stalking is reported, the College will provide victims with written notice of available options, remedies, and services. The confidentiality of the victim will be maintained to the greatest extent possible, depending on the need to include others in the protection of the victim and the nature of the investigative scope. Personally identifiable information about victims will not be included in any publicly available record-keeping, including the reporting and disclosure of crime statistics. 

*For more information regarding reporting and confidentiality, please reach out to the Dean of Student Affairs.*

**CLERY Act/SaVE Act**

The CLERY Act requires all colleges and universities to publish an Annual Security Report documenting specific campus crime statistics as well as a public crime log. Campuses are also required to have an Emergency Alert System. The College issues emergency notices by email to your student account and through the MyCC portal.

The Campus Sexual Violence Elimination (SaVE) Act seeks to address the violence women face on campus: the highest rates of stalking, the highest risk of nonfatal intimate partner violence, and 20-25% of female students experiencing rape or attempted rape. 

*More information regarding these acts can be found at www.clerycenter.org/campus-sexual-violence-elimination-save-act.*

Please thoroughly read your Student Handbook and the Student Code of Conduct in order to understand your rights as a student and potential sanctions and disciplinary actions the College may take in response to a Code violation. As a member of our community, we expect our students to understand the importance of bystander awareness and action.

Contact Dean Regina Robinson for questions or concerns regarding this information at (617) 873-0470 or by email to regina.robinson@cambridgecollege.edu.
Dangers of Domestic Violence

Dear Cambridge College (CC) Student:

This notice is a reminder to all students regarding the dangers of domestic violence, dating violence and stalking. New Student Orientation included training materials on these topics and this notice is a reminder for all students of the general information regarding sexual assault at Cambridge College. CC is committed to an educational experience and work environment in which all individuals are treated with dignity and respect. In the unfortunate event that prohibited conduct occurs, CC encourages reporting of all perceived or actual incidents of discrimination, sexual assault or harassment to the Dean of Student Affairs. It is the policy of CC to promptly and thoroughly investigate such reports and CC prohibits retaliation against any individual who reports discrimination, sexual assault or harassment or participates in an investigation of such reports.

If men or women engage in sexual activity, make sure that consent is clearly expressed and mutually agreed upon through the exchange of affirmative words and actions. Sexual activity without consent is a violation of the law and CC’s Student Code of Conduct. Victims of nonconsensual sexual contact are strongly encouraged to report it to the Dean of Student Affairs, who is also the Assistant Title IX Coordinator for students.

CC seeks to maintain a safe environment for all students free from violence and sexual abuse. For more information on the CC policies regarding non-discrimination, harassment, code of conduct, or sexual misconduct, see the full notice which provides information about offense definitions, reporting options, and grievance procedures at https://mycc.cambridgecollege.edu.
