Premium Quality PMP Exam Study tools

The Learning System for PMP® Exam Preparation is an interactive review program, combining comprehensive printed reading materials with interactive online study tools. Designed using a proven approach for adult learners, this system helps you understand, apply, and engage with the course materials, while preparing you to pass the PMP/CAPM® exam.

Comprehensive Reading Materials

Study with three printed books containing over 650 pages of content

Reading materials provide an in-depth exploration of the knowledge domains tested on the PMP exam

Interactive Online Study Tools

Pre-test evaluates initial knowledge and identifies topics requiring extensive study

SmartStudy tools help you build a customized study plan

Quizzes test comprehension, retention, and ability to apply concepts by chapter and Process Group

Flashcards offer review of key terms and definitions

Post-test gauges knowledge gained and areas that require further study

PMP Practice Exam helps build confidence with a timed test weighted to align with the PMP exam.

Progress Report tracks your activities and scores

Resource Center provides helpful test-taking tips, PMP exam resources, feedback links, and more
