Petition to "March Only" in June Commencement

**BOSTON ceremony only**

Form must be received by April 11

Non-graduating students may participate in the commencement ceremony if ALL the following conditions are met:

- All core requirements, including the final project (e.g. Capstone, ILP/IRP) and required practicum and/or internship, must be completed and passing grades documented in your academic record by the grade posting deadline (see academic calendar).
- No more than six credits (electives only) remain to be completed for your degree.
- Academic completion is anticipated in the next term (summer) and registration for the summer term has been processed.

Please note:
- A commencement packet will be mailed to qualified candidates following review and approval by the Registrar. If grades for spring courses are still pending, approval will only be conditional. Final approval will be granted once all grades are received.
- The petition is not an official degree audit; see your advisor for questions regarding program requirements.
- You must also submit an Intent to Graduate form for the August conferral. See next page.
- Correspondence will be conducted via Cambridge College e-mail.
- Students wishing to attend ceremonies at other CC locations should speak with their center director.
