

Master of Education

Autism/Behavior Analyst • CIP code 422814

MEd: 38 credits, 6 terms • The ABA course sequence is a Verified Course Sequence as determined by the Behavior Analyst Certification Board.

Program Description — Autism is becoming more prevalent in our society and the need for specialists dedicated to serving this population is growing rapidly. This program provides knowledge of the autism spectrum and the skills necessary to meet the needs of individuals with autism. By completing the Behavior Analyst program, students meet the course requirements to sit for the national BCBA examination, earning a credential that is in high demand.

Learning Outcomes — Students will demonstrate knowledge of applied behavior analysis (ABA) and associated scientific principles that govern human behavior and the treatment of individuals with autism spectrum disorders (ASD). Students will demonstrate knowledge of clinical, educational and ethical issues pertaining to the application of ABA across a broad range of treatment contexts and behaviors.

Careers — Careers/BCBA certification — Students who complete the ABA course sequence including supervised fieldwork and successfully pass the BCBA examination may apply for national certification and also to Massachusetts as a Licensed Applied Behavior Analyst (LABA). They will be able to work in a wide range of clinical and treatment settings as a BCBA in the treatment of individuals with autism spectrum disorders and other behavior and learning challenges. There is currently significant demand for persons with the BCBA credential, so that it is highly portable and desired across the state, the country and internationally.

Required to begin the ABA course sequence:

- Master's degree or higher in education, special education, or psychology in an area that meets the current BACB™ standards at time of enrollment. Please consult the BCBA program chair prior to enrollment.
- Active employment in a relevant, related field with at least one year of experience in an ABA-based treatment setting.
- Be working with or supervised by certified BCBA personnel. (Supervisor name and contact information must be submitted and verified upon program entry.)

Student responsibility: A high level of professional acumen and decorum is required. Students are expected to be fluent in the BACB ethics standards from the start and throughout the program. Students must have basic competence with technology-based academic applications.

Program and course schedule subject to change.

Program chair, Moderate Disabilities:
Mary Garrity, EdD • mary.garrity@cambridgecollege.edu

Program co-coordinators, ABA:
Bob Ross, Ed.D. • robert.ross@go.cambridgecollege.edu
Joseph Vedora, Ed.D. • joseph.vedora@go.cambridgecollege.edu

(All courses @ 3 credits except as noted.)

Autism & Special Education Courses 19 credits

- This course sequence is strongly recommended.

		Fall Entry	Spring Entry
