The Teacher Education Program at Cambridge College is awarded **TEAC accreditation** by the Inquiry Brief Commission of the Council for the Accreditation of Educator Preparation (CAEP) for a period of five years, from May 2014-May 2019. The accreditation does not include individual education courses that the EPP offers to P-12 educators for professional development, re-licensure, or other purposes.

**Program Description** — The Elementary Teacher 1-6 initial licensure program is for students who plan to teach in public schools or collaboratives. Students are prepared with appropriate skills and knowledge that will assist them in pursuing their initial license as an Elementary Teacher 1-6. Program completers are career-ready, technologically savvy, exhibit inter-cultural competence and are equipped to advance social justice.

**Learning Outcomes** — Graduates demonstrate the disposition, knowledge and skills expected of professional educators articulated in regional, state and national accreditation bodies. They utilize best practices for teaching students with diverse abilities and languages and scientifically-based practices for teaching reading and mathematics; inclusive practices to create a safe and collaborative learning environment that fosters positive socio-emotional development; set high expectations for all students; implement well-structured lessons, with measurable assessments of learning; and engage in ongoing reflection on practice.

**Careers** — Graduates who have completed the licensure option are eligible for initial licensure and are qualified for employment in public schools and collaboratives, teaching elementary grades 1-6.

**Non-licensure option:** All program components are required (including pre-practicum) *except* for SEI, Practicum Readiness course, Practicum, Practicum Seminar, and MTEL exams. One approved 3-credit School of Education elective also required.

**\*Program credits:** 32 credits total if SEI is completed before enrollment, 35 credits if SEI is completed at Cambridge College.
